

**Eric Mayne, AIA, RIBA**

Architect, Designer

Eric Mayne, AIA, RIBA, is an associate at Kahler Slater and is an exceptional architect and designer with strong international experience. Eric spent 10 years working in London as a registered architect and member of the Royal Institute of British Architects, and is also a registered architect in the United States. With over 15 years of experience, Eric brings his vast knowledge and breadth of design experience to his health care projects. In addition to leading the design of healthcare projects at Kahler Slater, Eric is the champion of Kahler Slater's Health Care Team Ambulatory Care Design initiative, and recently had his article on ambulatory care design, "*Building Design Supports New Ambulatory Care*", published on HCONews.com.

**Jessica Dellenbach, ASID, EDAC**

Senior Interior Designer

Jessica Dellenbach, ASID, EDAC, is an associate principal at Kahler Slater and a highly skilled, award-winning, enthusiastic and creative interior planner and designer. Jessica has a passion for, and has dedicated her career to, patient and family-centered interior design for health care, and has presented nationally on these topics. Jessica serves as Kahler Slater's primary Planetree Visionary Design Network liaison as well as an accredited Evidence-Based Design Professional. Jessica always incorporates the latest evidence-based design ideas in an effort to ensure a truly healing experience is delivered. Jessica has over 15 years of experience working on health care projects including ambulatory care clinics, replacement hospitals and women's health centers.
