About Altro

Designed for possibilities. Made for people.

Altro is a world-leading manufacturer and innovator in commercial floors and walls. We believe in the power of design thinking to develop human-centered solutions to revolutionize the built environment.

Altro offers a specialized portfolio of integrated flooring and wall cladding solutions for **behavioral and mental health (BMH) environments** that adhere to industry guidelines and involve specific detailing techniques. Available in a broad range of colors and designs, our growing portfolio offers creative freedom to designers, specifiers and end users while staying grounded in the technical details and performance characteristics critical to these specialized facilities.
