New Connections

New Insights

What's new in healthcare design? What's changing? Who's doing what and where? And what do your local colleagues think about it all?

Join us for **"Happiness by Design: Multi-sensory Wellness Spaces"** presented by Valerie Jardon, IIDA, LEED AP IDC from BOX Studio – your chance to catch up on the latest industry buzz, connect with colleagues in a casual setting over wine and hors d'oeuvres, and still get home in time for your favorite show.
