1. Reflecting on this paper, give an example of how you would apply this research in a current, future, or hypothetical project:
   A. Project type:

   B. Nature/description of the problem:

   C. Description of research used in possible design solutions:

2. List four (4) things you learned while reading this paper?

3. True or False: This research study made clear design recommendations based on a solid foundation of research.

4. List three design trends that are currently affecting behavioral health facilities.
