

## **Clinic Design Staff Survey**

This questionnaire asks questions about your perception of the work environment and your work experience at (name of clinic). Please circle the number that most closely represents your level of agreement with each statement below. We are interested in your honest opinions, whether they are negative or positive. If you have comments about any one statement, please provide the comments in the spaces below the statement or on the back. The questionnaire is 2.5 pages long. Thank you in advance for your time and opinions.
