

## Evidence-Based Design Accreditation and Certification (EDAC) CEU Form

EDAC Certified Individuals, please complete your form fully and carefully. Retain this copy for your records. You will need this to submit courses through Castle Worldwide, Inc. when you are due for renewal. For questions about CEUs, you may contact EDAC at <a href="mailto:edac@healthdesign.org">edac@healthdesign.org</a>

Don't forget to include your EDAC ID Number and to sign this form. You will need to present this form if you are selected for an audit. The session listed below is available for EDAC CEU credit.

| The Role of Flooring as a Design Element Affecting Patient and Healthcare Worker Safety  1  TOTAL:1  1. List three (3) ways that carpet may impact the risk of patient and HCW falls and related injuries.  2. Which of the following environmental interventions have been found to effectively reduce noise in the hose   | Participant Name: EDAC ID #:  |   |  |                |  |
